Notification

On

The Second Delay in Releasing the 1st Quarterly Report in 2023
Of Sihanoukville Autonomous Port

Sihanoukville Autonomous Port (PAS) would like to inform investors and the public that PAS's 1st Quarterly Report in 2023 will be extended further to **June 7th, 2023** since the submission deadline of the first quarterly report 2023 to the SERC is passed and PAS still has not yet received the first quarter financial report of 2023 from the independent audit firm Ernst & Young Cambodia (EY Cambodia) which they could not provide to us on time stating that they needed more time to review its first quarter 2023 financial statements. Thus, the report of the 1st Quarterly 2023 will be delayed.

Therefore, investors and the public please kindly note and understand as mentioned above.

Preah Sihanouk Province, May 30th, 2023

Sihanoukville Autonomous Port
